

November 15, 2023

Families,

We are writing to you today with an update to the site upgrades taking place at John W. MacLeod – Fleming Tower Elementary at 1511 Purcell’s Cove Road.

Last May, [we let you know](#) that the pathways, parking lot and drainage at the school site were being re-designed and upgraded. This work began in August and is now complete with minor updates and final clean up taking place in the coming weeks.

Additionally, in collaboration with Halifax Regional Municipality, we are also starting work near the tennis court. The stairs will be replaced, and there will be upgrades to the pathway around the tennis court. This means that the area will be fenced off, and therefore access from Colindale Street to the school will be temporarily closed.

This project is expected to start soon and should be completed by December.

You may see workers on site as we begin preliminary work for this project. Please be assured that learning will not be impacted.

You can expect further updates over the next month. If you have questions or concerns, please contact the HRCE Operations Services team at [hrceoperations@hrce.ca](mailto:hrceoperations@hrce.ca).

Sincerely,

Kavita Khanna  
Director, Operations Services  
Halifax Regional Centre for Education
