Families,

I am writing to provide you with an update on the modular classroom structure at Halifax West High that was announced last fall.

As we begin to install the modular units, we will need to close the school's parking lot for the next two weekends. The parking lot will be closed from 4:00 p.m. Friday evening, to 11:00 p.m. Sunday evening each weekend.

The safety and well-being of all are top priorities for the Halifax Regional Centre for Education. Additional safety measures will be in place throughout the weekend including site security and traffic control. Site fencing will also be extended to ensure pedestrian safety.

Families can access a number of alternative parking opportunities nearby.

Please be assured that this work will not impact learning.

If you have any questions or concerns, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
Director, Operations Services
Halifax Regional Centre for Education
