Families,

I am writing to let you know that a section of the roof at Caledonia Junior High is scheduled to be replaced. This is a continuation of the roof replacement project that was started in recent years and will complete the required roofing work for this school.

This project is expected to start this summer and should be completed this fall.

You may see workers on site as we begin preliminary work for this project. Please be assured that learning will not be impacted.

You can expect further updates over the next few months. If you have questions or concerns, please contact the HRCE Operations Services team at [hrceoperations@hrce.ca](mailto:hrceoperations@hrce.ca).

Sincerely,

Kavita Khanna  
Director, Operations Services  
Halifax Regional Centre for Education
