Families,

Last May, [we let you know](#) of some upcoming improvements scheduled for Saint Mary's Elementary. At the time, we advised that all windows and fans in the school were going to be replaced.

The timeline for this project has been extended due to availability of qualified contractors. We now expect this project to take place next summer. We will be sure to update you as we have more information to share.

If you have questions or concerns, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
