Families,

Last month, we [let you know](#) that a portable classroom was arriving on site at Central Spryfield Elementary in the coming weeks.

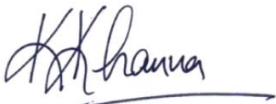

The portable classroom is now on site, and we are almost ready to welcome students into their new learning space next week!

HRCE's Operations Services team refreshed both the interior and exterior spaces. Some minor repairs and outside work still remain, which will be completed in the next few weeks. Any work will happen after school hours and on weekends so there is no disruption to learning.

If you have any questions or concerns, please reach out to your school principal or contact the HRCE Operations Services team at [hrceoperations@hrce.ca](mailto:hrceoperations@hrce.ca). You can find all previous updates [here](#).

Wishing you and your family a successful start to the 2023-24 school year.

Sincerely,

Kavita Khanna  
Director, Operations Services  
Halifax Regional Centre for Education
