

August 29, 2023

Families,

I am writing with an update to the roof repairs we [announced](#) last May for Rockingham Elementary.

We expected this project to start this summer and be completed this fall, however, there have been some delays. This project is now scheduled to start later this fall and should be finished by mid-March 2024.

As a reminder, this is a continuation of the roof replacement project that was started last fall and will complete the required roofing work for this school.

Please be assured that learning will not be impacted.

We'll continue to provide updates over the next few months. If you have questions or concerns, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
Director, Operations Services
Halifax Regional Centre for Education
